## Automatic Soap Dispensers

Touchless soap delivery reduces cross-contamination and controls soap consumption. Each model is available in liquid or foam format with a visible-level window.

- ✔ **No cross-contamination**  
Infrared sensor triggers dispense — no surface contact required
- ✔ **Controlled dosage**  
Pre-set dose per dispense — up to 40% soap savings vs. manual pumps

**LSD 1000**

**Standard ABS Wall Dispenser**

BODY **ABS Plastic**

CAPACITY **1000 ml**

POWER **230V AC / 6V DC**
